Dear Sponsor,

As a highly valued member of our community, Rod Lemon Foundation would like to invite your organization to be part of the Inaugural "Tee Off for Transcend 214" Charity Golf Tournament. This anticipated annual initiative aims to provide funding and support to homeless veterans in Alabama and surrounding states, with a focus on honoring those that have served.

In recent years, Rod Lemon Foundation has provided food support, home repairs and veterans benefits assistance to help meet the basic needs of the brave men and women who have served our country. Moving into 2025, Rod Lemon Foundation will expand those efforts by providing transitional housing, holistic wrap around services such as mental health, substance abuse, job and life skills training and home ownership for homeless veterans.

As a trusted business in our community, your contribution would help highlight the importance of community collaboration in facilitating the wellbeing of those who have served and will exemplify the role of community partnerships in promoting positive, promising, and productive community events.

Rod Lemon Foundation respectfully asks that you join our efforts by contributing or becoming a sponsor for the "Tee Off for Transcend 214" Charity Golf Tournament. Your contribution will allow Rod Lemon Foundation to list your organization as part of the "Tee Off for Transcend 214" event, as well as demonstrate that your organization is committed to making a difference in the lives of homeless veterans.

A PROJECT BY RL INVESTMENT GROUP &
THE ROD LEMON FOUNDATION

" TRANSCEND "

The term "Transcend" implies overcoming obstacles and moving beyond limitations, For those who have faced significant obstacles, the idea of transcending those challenges and finding a path to a better future can be deeply meaningful.

" 214 "

The number "214" holds significance for veterans, as it represents the official discharge code for a veteran who has completed their service obligation. This number symbolizes the transition from military to civilian life, marking a pivotal moment in a veteran's journey..

THE PROJECT

Transcend 214™ a project by the Rod Lemon Foundation in partnership with RL Investment Group, is a comprehensive transitional housing program designed specifically for homeless veterans.

THE LAUNCH

Set to Launch later this year, Transcend 214™ will support homeless veterans by not only providing housing, but also by providing services that will help with the reintegration of the veteran into the community, by offering job skills training, financial literacy, trauma coaching, substance abuse support, peer support, access to VA provided services, and private medical care when needed.
